TERMS & CONDITIONS

Payment for your order, whether it be an online order, or an order form submission, serves as acceptance of our Terms and Conditions, and we will presume that once we've received your payment, that you have read, understood, and accepted all our Terms & Conditions as set out in this document. Please make sure that you read through and understand all points set out below and be sure to contact us if you have any questions, concerns, or objections BEFORE you confirm your order with payment.

Purchasing/Ordering:

We have two methods of how you can place your order:

- By completing and submitting an Order Form, or
- By purchasing directly from our Online Store

In both these options you will receive a personalized order process, and we WILL contact you if there is any reason for us to feel unclear about any aspect of your order before production will start.

Payment:

Payment will confirm your order.

If you placed your order via Order Form submission you will receive an invoice via the email address supplied on your form. Allow 24-hours for processing and invoicing. If an invoice remains unpaid for 14 days, the order will be cancelled.

If you purchase from our online store, you will be directed to the payment gate to make your payment.

It is the client's responsibility to check their invoice or cart before making payment, to confirm that the correct order has been processed.

If at any time, any refund needs to be made Liquerish reserves the right to keep an administrative fee of R50 for banking costs.

Lead Times:

All our orders take between 10-15 working days (2-3 weeks) from payment to packaging. Everything is made from scratch especially for you, so please keep this timeframe in mind when placing your order and try not to wait until the last minute – especially for big orders.

Our lead time may be extended to a 4-week lead time in busy times of the year when we're handling special occasion orders or during times of stringent load shedding. Don't worry, we will give you a heads up if this is the case.

These lead times does not include the delivery time. Please allow another 3-5 days for dispatch & courier.

Collection / Courier:

Please remember: Courier is not a service supplied by Liquerish itself. It is an add-on service we outsource to The Courier Guy, for the convenience of our clients. Therefore, it is not possible for Liquerish to take any responsibility for any courier related complaints or customer services. We merely package and book the courier on your behalf.

If you are in Pretoria or if you can make special arrangements, you are more than welcome to pick up your order from Liquerish personally. Our Workshop is in Montana, Pretoria. You will be notified by email once your order has been completed and is ready for pick-up. This notification will include the collection address and collection times. It is VERY IMPORTANT that you arrange a collection time beforehand. Liquerish will not be held responsible if you show up at the workshop and there is no one to assist you.

If you are not able to collect, we will courier your order to you. We make use of The Courier Guy for courier purposes. Prices vary according to location and the size of package.

If you order by Order Form submission your courier cost will be included in your invoice.

If you make an online purchase, courier cost will not be included in your balance. In this case we will contact you for payment of the courier fee's once your order has been completed and is ready to be shipped and the package has been weighed and measured.

Please be 100% sure of your address and check it twice. Liquerish will not be held responsible for any parcel ending up at the wrong address if said address was incorrect when supplied.

If you are sending your own couriers/drivers to collect, you will be charged a R50 packaging fee. Please send us the waybill well in advance, so that we know when to expect who.

Liquerish will not be held liable for any damage, loss, or theft of parcels – we will also not take responsibility for late deliveries because of strikes or any other reason.

Design Process:

You will receive all design proofs for approval prior to production. Please check these designs carefully. Once approval has been sent through to us, we except that there are no problems with the designs, and we therefor do not take any responsibility for any mistakes on the final product. You will be held liable for all cost if the product needs to be re-made because of this.

When we say: "Not Painted" – it means that we do not paint the product at all.

Paint colours that are included in the "Painted" option – these are colours that we can buy pre-mixed. For example: White, Black, Grey, Red etc - Shades of these may also be specified, BUT colours which must be mixed, if not available as pre-mixes, a Paint-Mix Fee will be charged.

Please take note that Ligerish do not take any responsibility for colour matching of products. If you require a specific colour, please send us the Pantone colour code. Always enquire about your colour beforehand and make sure we can supply that specific colour. For printed items – we suggest ordering a printed colour sample as the colour always appears slightly different on a screen as opposed to an actual print.

Every product is custom designed and handmade individually. Not one product will ever look exactly as any other – even if it is the same design. Products are hand assembled and hand painted. Differences and flaws will occur. Ligerish will not be held responsible if a product does not look exactly like another one that has been advertised by us, or even looks a little different from the same product from a previous order.

We can also not take responsibility for the shade/colour of the wood. The shade of the wood differs from batch to batch, and we have absolutely NO CONTROL over this. We get what the supplier has – it is as simple as that.

Sizing mentioned in the pricelist is just a guideline – sizes may vary according to designs – please make sure you ALWAYS mention the size of the product you want if it is a custom design.

When we engrave a word or image onto wood, the wood burns brown (shade may vary according to type of wood used). We can NEVER do engraving in any other colour than this.

When we print, we can do so in any colour, except white.

Please take note, when ordering a Rustic wooden product: We use recycled wood and neat, perfect products are not guaranteed. We have no control over the TYPE of wood and construction flaws of boards – that might include uneven edges, difference in thickness of boards, gaps, and nail holes in the wood.
